I would like to be a member of the Dove's Landing Farm 2018 Community Supported Agriculture program. I understand that the farmers will do their best to provide all they have promised, but that I will share in the risks and harvest of the growing season. **This is a non-refundable contract**, but as a shareholder, I can transfer it to someone else of my choosing if necessary as long as I notify Dove's Landing Farm 24 hours prior to transfer. My signature below acknowledges and permits Dove's Landing Farm to email me at the email address provided with occasional information regarding deliveries and excess produce and product purchase opportunities.
